Here's how to participate in *Moving Kinship*

step

1

You are invited to join online or telephone interview-conversations with families and individuals to talk about your stories and experiences of living with young onset dementia, whether you are the person living with dementia or a family carer.

step

2

Beatrice Allegranti Dance Theatre will create personalised performances in response to the diverse autobiographical stories and experiences that we have gathered.

step

3

You attend a workshop with Beatrice Allegranti Dance Theatre where you will witness your personalised performance followed by an opportunity to respond through improvised movement, words and song.

**All partnerships are welcome. Booking Essential.
