

Surrey Coalition of Disabled People

The Surrey Coalition is run and managed by disabled people for disabled people. The aim of the Surrey Coalition is to campaign and promote the rights of disabled people to have equality of opportunity and to live independently. With an ageing population we expect a growth in the numbers of people with impairments.

www.papworth.org.uk - "Disability in the UK 2013" Facts and Figures: **27%** of Adults in SE England have a disability. **83% of disabilities were acquired since birth.**

Thus, good accessibility is important for everyone, especially in an ageing population. Step-free routes, essential for Wheelchair Users, are also beneficial to parents with pushchairs.

*** There are 14,311 adults registered with NHS Wheelchair Services in Surrey. (4/2018)**

Equality Act 2010 definition; A person has a disability if:

- they have a physical or mental impairment
- the impairment has a substantial and long term adverse effect on their ability to perform normal day to day activities
