

Did you know?

People who have good digital skills can get better jobs, earn more money and even start their own business

We can help you to improve your digital skills for FREE!

Learn how to create Word documents and Excel spreadsheets

Develop the skills to create a great c.v. or a presentation, organise your emails or use social media

Improve your online security - spot fake accounts and scams

We can help you to Make it Click!

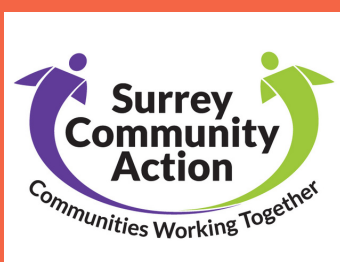

Surrey Community Action is a registered charity, which is working with the Good Things Foundation to help adults with basic digital skills to improve their digital know-how and computer confidence so they can find a job or look for new employment opportunities.

Our Make It Click Facilitator can provide support to help you get the most out of the Make It Click learning platform or you can choose to self-study.

You choose what you want to learn and when.

Visit www.surreyca.org.uk/advice-and-support/make-it-click/ for more information or contact our Make It Click Facilitator, Caroline Butler - email carolineb@surreyca.org.uk or call 01483 447137
