The Surrey Cricket Foundation annual Disability Day is returning to the Kia Oval on Tuesday 6th July.

Normally held every year, apart from in 2020, we take over the ground and shall be having activities around the outfield on the pitch, with a number of skill challenges that focus on batting, bowling and fielding and give those involved the chance to have a really fun and engaging day out.

As well as cricket on the day, we are likely to have some other sports involved to ensure people have the chance to move around and try different activities during the day.

Timings wise we are looking to start activities from 10.30am and shall run this through until 2.30pm at the latest.

You do not need to attend for the whole day, and are more than welcome to come for as long as you wish.
