

Lightwater Campaign Group for Better Access to **Turf Hill Park**

Did you know ? our Group is campaigning to provide your Community with nearly half a kilometre of

firm level footpaths in Turf Hill Park . It is hoped this would

be installed after Esso have completed their pipeline installation through our beautiful Park early next year. We are in discussions with SHBC to hopefully provide an implementation plan which would be subject to planning approval and agreement from Natural England but it needs **Your** support to make it happen !.

Additional access could be provided for:

Disabled & others using wheelchairs & mobility scooters

People using walking aids

Mothers with prams

It is also to proposed to provide , 3 rest areas with benches & Car Parking for disabled drivers .

If you would like to support our Campaign please write to **Sue M^cCubbin Recreation and Business Manager**

Surrey Heath Borough Council

Surrey Heath House

Knoll Road

Camberley

Surrey

GU15 3HD

or alternately e mail Sue.McCubbin@surreyheath.gov.uk
